

Karate Kick-a-thons to Benefit Charities

In December, 2016, in various locations across the globe, year-end kick-a-thons will take place to benefit various charitable organizations. This international fund-raising event is being overseen by Silicon Valley Karate, based in Palo Alto, California.

Participants will attempt to perform 2017 repetitions of a traditional karate front kick and/or 2017 reverse-punches the week of December 12-17, many of them doing so in a single session. This is very challenging even for the best of athletes. Some participants will likely not be able to complete all 2017 repetitions of either. But many will try, in an effort to help with fund-raising as best they can.

The main punch & kick-a-thon event is scheduled to take place on December 15th, 7-9pm, and will benefit the following charity:

Child Advocates of Silicon Valley

The number of children in foster care in Santa Clara County has been rising. Child Advocates of Silicon Valley matches volunteer Court Appointed Special Advocates (CASAs) to foster children, who ensure that the foster child's needs are met and their voice is heard while navigating the court dependency system.

Child Advocates of Silicon Valley's mission is to provide stability and hope to children who have experienced abuse and neglect by being a powerful voice in their lives.
